

To Our Customers:

In compliance with Sales and Use Tax Laws, it is necessary that we have from all our customers a signed resale certificate, with their State Sales Tax Permit Number, to show that the merchandise has been purchased for resale.

The good faith of the seller will be questioned by tax authorities if there is knowledge of facts which give rise to a reasonable inference that the purchaser does not intend to resell the property as, for example, knowledge that a purchaser of particular merchandise is not engaged in the business of selling that kind of merchandise.

Under "Description of property to be purchased for resale" there may appear:

1. Either an itemized list of the particular property to be purchased for resale, or
2. A general description of the kind of property to be purchased for resale.

We will consider this certificate is good until revoked by a written notice to us.

Please print and fill out the following form, insert your New Sales Tax Permit Number, with your signature and return the signed and completed form to:
